

Signia app

You're in control.

Enjoy your hearing aids to the full with just one app for everything you need:

- All controls adjust to your personal preferences
- Audio streaming, remote control and remote support
- Discreetly control the volume and other settings while streaming audio directly into your ears
- Stay in touch with your Hearing Care Professional and get remote support when you need it

Compatible with Android and iOS. The app are free of charge.

Pure 312 X

Life doesn't stand still. With Pure 312 X, you can move freely and still hear what's important in superb clarity. More than 90% of wearers report a natural sound experience while moving.*

The world's first hearing aids with acoustic-motion sensors enable you to hear clearly wherever you go and be an active part of every conversation.

Pure 312 X delivers a hearing experience so natural, it's sure to move you.

* Froehlich, Branda, Freels: Evidence for Dynamic Soundscape Processing benefits (Signia White Paper, 2019).

The information in this document contains general descriptions of the technical options available, which do not always have to be present in individual cases and are subject to change without prior notice.

Pure 312 X

signia

Life sounds brilliant.

The new Pure 312 X

HEAR WHAT MATTERS TO YOU.

signia-hearing.com/pure312x

HEARING:
IT'S A MOVING EXPERIENCE

Pure 312 X

SOUNDS JUST MADE FOR YOU

Everyone has a unique hearing experience depending on where they are and what they are doing. Unlike all other hearing aids, our new Signia Xperience platform lets you hear what is directly in front of you and your general surroundings at the same time. So you enjoy a natural hearing experience personal to you.

Pure 312 X redefines what modern hearing aids can do:

- Understand speech in every situation
- Hear your environment in greater detail than ever
- Enjoy crystal clear sound tailored to your activities

Hear precisely what matters to you.

ALL THE POWER YOU NEED

The all new hearing aid platform and the new smaller Pure 312 X delivers powerful performance for an outstandingly personal hearing experience. All day long.

Pure 312 X

Pure 312 X with T-coil

At a Glance

- Equipped with revolutionary acoustic-motion sensors
- Completely integrated T-coil
- Bluetooth connectivity for direct streaming of phone calls, music and TV
- With tinnitus treatment options

T-coil

Enjoy the performance. With complete discretion.

For maximum enjoyment and convenience when you're out and about, Pure 312 X's T-coil function picks up the signal from compatible public sound systems, such as those found in theaters, and delivers it directly to your ears. Plus, it's completely integrated into the housing for an elegant and discreet solution. So you can enjoy the performance without standing out from the crowd.

Stay connected.

In today's world, everything and everyone is connected. Your hearing aids too. Thanks to their Bluetooth compatibility, Pure 312 X hearing aids let you stream sound from your favorite devices straight to your ears.

- Calls on your smartphone will be automatically streamed directly to your hearing aids
- Listen to your favorite music or TV programs via Bluetooth

Ease tinnitus. The easy way.

For tinnitus sufferers, Pure 312 X features a range of therapy options to make your life more comfortable.
